2. The applicability of any purchase or other conditions of Customer is expressly rejected.

3. All offers and quotations shall be free of engagement.

4. Prices quoted shall be in euro, exclusive of BTW (Dutch VAT), and are based upon the factors determining costs as existing at the time of the offer. In case

of changes in the factors determining costs as referred to above, which occur between the time at which the Agreement is entered into and the time of delivery Toko International BV shall have the right to adjust the price initially quoted.

5. In case Customer places an order with an Agent appointed by Toko International BV a binding Agreement shall be entered into at the moment at which the order has been accepted by Toko International BV.

In case of non-observance of the term of payment Customer - after having received from Toko International BV at least one reminder to effect payment within a reasonable period of time - shall be in default by operation of the law. In that case Customer shall owe legal interest from the date at which the amount owed has become due until the time of payment. In addition to that any costs of collection, both judicial and extrajudicial costs, caused by Customer default, shall be borne by Customer.

8. Any products supplied and to be supplied shall remain the property of Toko International BV, until any amounts that Customer owes or may owe to Toko International BV have been paid in full (reservation of title). As long as the title to the products has not been transferred to Customer, Customer shall not pledge the products or grant any other rights with respect to the products to any third party. Customer is under the obligation to store the products supplied subject to reservation of title with due care and to clearly identify said products as the property of Toko International BV.

9. Toko International BV shall be informed of any complaints in writing, within

8 days of the receipt of the products. After this term complaints shall not be looked into. Return shipments shall be allowed only after the approval of Toko International BV. Algemene Voorwaarden

1. Deze algemene voorwaarden gelden voor iedere overeenkomst tussen Toko International BV en de afnemer waarop Toko International BV deze algemene voorwaarden van toepassing heeft verklaard.

2. De toepasselijkheid van eventuele inkoop of andere voorwaarden van de afnemer wordt uitdrukkelijk van de hand gewezen.

3. Alle aanbiedingen en offertes zijn vrijblijvend.

4. Opgegeven prijzen zijn in euro's, exclusief BTW en zijn gebaseerd op de ten tijde van de aanbieding geldende kostenbepalende factoren. Indien zich tussen het moment van de totstandkoming van de overeenkomst en de aflevering wijzigingen voordoen in de hiervoor bedoelde kostenfactoren, is Toko International BV gerechtigd tot herziening van de oorspronkelijke prijs.

5. Indien door de afnemer een order wordt geplaatst bij een door Toko International BV aangestelde vertegenwoordiger, dan is er sprake van een bindende overeenkomst op het moment dat de order door Toko International BV is geaccepteerd.

6. De door Toko International BV opgegeven levertermijnen zijn niet als fatale termijn te beschouwen.

7. Betaling dient à contant te geschieden of binnen de op de factuur vermelde termijn. Bij overschrijding van de betalingstermijn, is de afnemer, na door Toko International BV ten minste eenmaal te zijn aangemaand om binnen een redelijke termijn te betalen, van rechtswege in verzuim. In dat geval is de afnemer, vanaf de datum waarop de verschuldigde som opeisbaar is geworden tot aan het tijdstip van betaling de wettelijke rente verschuldigd. Daarnaast komen alle kosten van invordering, nadat de afnemer in verzuim is, zowel gerechtelijk als buitengerechtelijk, ten laste van de afnemer.

8. Alle geleverde en nog te leveren producten blijven eigendom van Toko International BV, totdat alle vorderingen die Toko International BV op de afnemer heeft of zal verkrijgen, volledig zijn betaald (eigendomsvoorbehoud). Zolang de eigendom van de producten niet op de afnemer is overgegaan, mag de afnemer de producten niet verpanden of aan derden enig ander recht daarop verlenen. De afnemer is verplicht de producten die onder eigendomsvoorbehoud zijn afgeleverd met de nodige zorgvuldigheid en als herkenbaar eigendom van Toko International BV te bewaren.

9. Reclames dienen binnen 8 dagen na ontvangst van de producten aan Toko International BV schriftelijk kenbaar te worden gemaakt. Na deze termijn worden reclames niet meer in behandeling genomen. Retourzendingen zijn slechts toegestaan na goedkeuring door Toko International BV. In geval van fouten zijden Toko International BV draagt Toko International BV de kosten van zodanige terugzending, echter uitsluitend indien de wijze van terugzending geschiedt op basis van door Toko International BV te geven instructies.

10. Indien Toko International BV haar verplichtingen jegens de afnemer niet kan nakomen wegens overmacht, dan is Toko International BV niet aansprakelijk voor de schade die de afnemer daardoor lijdt. Onder overmacht wordt o.a. verstaan: belemmeringen in het vervoer door bijvoorbeeld weersomstandigheden; het niet of niet tijdig leveren van producten aan Toko International BV door haar leveranciers; maatregelen genomen door de overheid waardoor de feitelijke omstandigheden wijzigen.

11. Toko International BV is nimmer aansprakelijk voor indirecte schade, daaronder begrepen gevolgschade, gederfde winst, gemiste besparingen en schade door bedrijfsstagnatie.

12. Indien Toko International BV aansprakelijk mocht zijn voor enigerlei schade, dan is de aansprakelijkheid van Toko International BV beperkt tot het factuurbedrag, althans tot dat gedeelte van de overeenkomst waarop de aansprakelijkheid betrekking heeft.

13. Alle aanspraken jegens Toko International BV die niet binnen 1 jaar na hun ontstaan bij Toko International BV zijn ingediend, vervallen door verjaring.

14. Kennelijke fouten of vergissingen op de website of in publicaties van Toko International BV binden Toko International BV niet. Alle afbeeldingen en gegevens betreffende gewichten, afmetingen, kleuren, gegevens met betrekking tot de toepasbaarheid van de producten, in prijslijsten, op de website, in brochures en advertenties worden met de grootst mogelijke zorg samengesteld en gelden echter slechts bij benadering en kunnen geen aanleiding geven tot schadevergoeding en/of ontbinding.

15. Op elke overeenkomst tussen Toko International BV en de afnemer is Nederlands recht van toepassing. Alle geschillen ter zake van overeenkomsten tussen de afnemer en Toko International BV worden voorgelegd aan de bevoegde rechter in het arrondissement waar Toko International BV gevestigd is, zulks voor zover de wettelijke bepalingen dit toestaan.

Unter höherer Gewalt wird unter anderem verstanden: Transportunterbrechungen durch zum Beispiel Wetterbedingungen; nicht oder nicht rechtzeitig erfolgte Lieferung von Produkten an Toko International BV von ihren Zulieferern; von den Behörden getroffene Maßnahmen, durch die die tatsächlichen Umstände sich ändern.

11. Toko International BV haftet nie für indirekte Schäden einschließlich Folgeschäden, Gewinnausfall, Verlust von Einsparungen und Schäden durch wirtschaftliche Nachteile.

12. Wenn Toko International BV für irgendwelche Schäden haftpflichtig sein sollte, so beschränkt sich die Haftung der Toko International BV auf den Rechnungsbetrag, d.h. auf den Teil des Vertrags, auf den die Haftung Anwendung findet.

13. Sämtliche Ansprüche gegen Toko International BV, die Toko International BV nicht innerhalb von einem Jahr nachdem sie entstanden, vorgelegt wurden, verfallen durch Verjährung.

14. Offensichtliche Fehler oder Unrichtigkeiten auf der Website oder in Veröffentlichungen der Toko International BV sind nicht verbindlich für Toko International BV. Sämtliche Abbildungen und Angaben in Bezug auf Gewichte, Abmessungen, Farben, Angaben in Bezug auf den Einsatzbereich der Produkte, auf Preislisten, auf der Website, in Broschüren und Anzeigen werden mit größter Sorgfalt erstellt, gelten allerdings nur annähernd, und können nie Anlass für Schadenersatz und/oder Auflösung sein.
